JEFERSON BORRAS

CAREER OBJECTIVE

Highly motivated and technically proficient developer with a passion for creating visually appealing and user-friendly websites. Seeking an opportunity to contribute my skills and creativity to a dynamic team, where I can further enhance my knowledge of front-end and back-end development. Committed to delivering high-quality code and staying abreast of emerging web technologies to drive innovation and exceed client expectations.

EXPERIENCE

Full Stack Developer
World Citi Group | 960 Aurora Blvd, Project 4, Quezon City, Metro Manila | April 2024 – Present

- Developed and maintained web applications for World Citi Group's education, healthcare, and aviation branches, ensuring seamless integration across internal systems.

- Worked on both front-end and back-end development using Laravel, PHP, JavaScript, and MySQL.

- Implemented responsive UI/UX designs, optimized database queries, and ensured high-performance APIs for internal portals and public-facing websites.

- Collaborated with cross-functional teams to gather requirements, troubleshoot issues, and deliver scalable solutions aligned with business goals.

- Contributed to systems used by students, faculty, and hospital staff, enhancing operational efficiency and user experience.
